SANDIPANI TECHNICAL CAMPUS

Faculty of Engineering & Polytechnic

AN ISO 9001:2015 CERTIFIED INSTITUTE

Nanded Road, Kolpa, Latur ☎:02382 263545 / 46 / 47

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice-I

Title: Virtual Campus Recruitment Program

Objective: To make technical students familiar and competent with the Recruitment process conducted by MNC's.

The Context: This activity is conducted in three levels as Round-I Aptitude test, Round-II Group discussion, Round-III Technical and personal interview.

The Practice: Students can register themselves through offline/online mode. A detailed scheduled is email, made available on website. Based on Round-I result i.e. aptitude test, students are shortlisted for second round. The same process is carried out in each round. To maintain transparency in the result, the results are displayed on notice board. Personal and Technical interviews are conducted by Technical experts from industries.

Evidence of Success: Every year more than 300 students are enrolled and participated. This entire activity is organized by our students under the guidance of teachers. Winner,runner up are selected from each branch.

Best Practice-II

Title: Higher Education Awareness Programs

Objective: Creating awareness about Higher Education and its processes

The Context: Every year our institute organizes Higher Education Awareness Programs in the nearby villages. the objective is to bring the students into mainstream of higher education.

The Practise: Along with this we create awareness about diff. scholarship schemes provided by govt. so as to bring economically weaker students into mainstream of higher education..

Evidence of Success: Many students have enrolled and completed higher technical education.
